In the Drawings:

Please replace Figure 3 with the modified Figure 3, as attached. A marked up version of the originally filed Figure 3 is attached for your reference. Figure 3 has been corrected to show that Block 315 is an "ADD" Operator. Figure 3 erroneously labeled Block 315 as an "AND" Operator. The description of Figure 3, at least on page 8, line 11 and page 9, line 14, of the Specification as originally filed, clearly refers to the "ADD" operator. The Figure is modified only to remove a typographical error. Thus, the drawing correction does not introduce new matter, nor does this modification change the scope of the claimed invention.

Respectfully submitted,
